

396-7159Y1

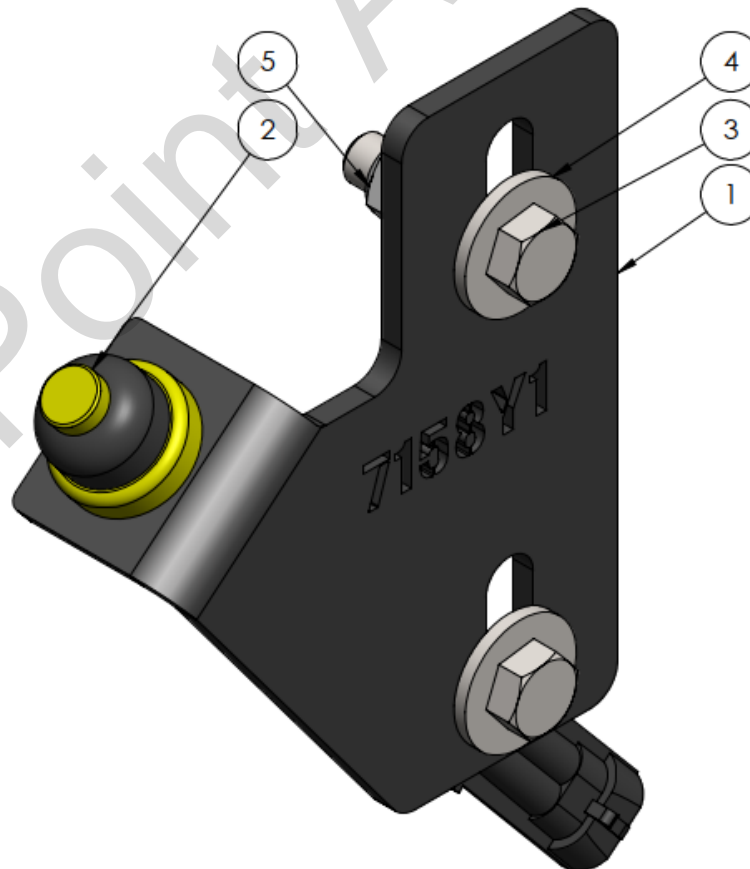

Case IH 2100 Series Row Unit Button Switch Mounting Instructions

Planter Manufacturer: **CASE IH**
AGRICULTURE

Kit Number: 501-300100

Kit Description: Case IH 2100 Series Row Unit Button Switch Kit

ITEM NO.	PART NUMBER	DESCRIPTION	QTY.
1	457-7158Y1	Case IH 2100 Series Row Unit Button Switch Bracket	1
2	705-21-541	Momentary Switch - Normally On (Push to Off)	1
3	300-060108-5	3/8" x 1-1/2" Hex Head Bolt - G5	2
4	330-06	3/8" Flat Washer	2
5	321-06-F	3/8" Nylon Locking Flange Nut	2

Step by Step Instructions

1. Assemble the button switch into the bracket as shown on Page 1.
2. Loosely bolt the 7158Y1 to the right side of the row unit mount using the provided 3/8" hardware.
3. While the planter is lifted, adjust the switch bracket up or down to ensure the switch is fully compressed. Tighten the 3/8" hardware.
